1. Questions in the present simple
2. Negations in the present simple
3. Word order

Reading

1. Main thought
2. Authors point of view
3. Writing goal and function
4. Texts relations
5. Linking devices

Belangrijk (Important)

Als je werk niet af is voor de bel, wordt de rest huiswerk.

Als de les uitvalt, worden de opdrachten die je in de les moest doen huiswerk.

If your work is not finished before the bell, your work becomes homework.

If the lesson is canceled, the assignments you had to finish in class become homework.
